

We are inviting you to share a special day with us and we want this to be the most wonderful day of our lives.

We have chosen to be married in a beautiful wedding chapel and so we want to explain that this is not like a church wedding...ours will not be the only wedding that day. They will have 5-8 other couples celebrating their weddings that day also.

And because every wedding is special, we have to make sure that we don't intrude on anyone else's time.

Our time is from _____ to _____ and we may not arrive before our scheduled time.

Please make sure that you do not arrive early as you will end up blocking the parking area. Also, please carpool as they only have 21 parking spaces.

Thank you for making our special day even better with your cooperation.
